1. Foreword

We all have an ethnicity, an age, a sexual identity, a gender. Many of us belong to a faith group, with an increasing number of us recognising that we have a disability. These factors can often mean we want and need different things. It also means that when we say equalities, fairness, respect and dignity it is important we are talking about an agenda that affects everyone in our school community. Our ultimate aim is about creating inclusion.

We also want to work proactively to address inequalities and improve lives for good. This is especially important where our teaching and interventions can benefit children and young people for the rest of their lives.

This is the first / revised single Equalities Scheme for *River View Primary School*. This document sets out our school's overall commitment to equality, diversity, human rights and community cohesion, which permeates in all our policies and procedures. It aims to ensure that everyone who comes into contact with our school community is valued and respected. It aims to promote equality of opportunity and eliminate unlawful discrimination harassment or victimisation. It contains an approach to all the groups of people with protected characteristics identified by the Equality Act 2010. It also sets out our specific school objectives and it outlines how the school will incorporate the scheme within our day-to-day school life.

Our scheme includes our whole school; i.e. pupils, staff, governors, parents and carers and all those within our extended school community, such as neighbouring schools and learning organisations.

Whilst the document also serves to outline our statutory duties under the Equality Act 2010, more importantly it allows us to focus on making our school a fair, respectful and inclusive place, with an aim to improve outcomes that matter to our school community.

2. Introduction

The role of an Equalities Scheme is to visibly set out our priorities for action to improve chances, choices and outcomes in the lives of different groups of people and measure how we are doing to attain them.

The Equality Act 2010 covers discrimination, harassment and victimisation because of age, disability, gender reassignment, marriage and civil partnerships, pregnancy and maternity, race, religion or belief, sex and sexual orientation. These categories of people are listed as protected groups because of their characteristics. There is recognition of the complexity of multiple identities and therefore multiple needs and disadvantage. Our equality scheme includes our priorities and actions to eliminate discrimination and harassment from these protected characteristics as well as promoting a culture of human rights, respect and dignity.

The duties apply to staff, pupils and people using the services of the school, such as parents and the wider community.

Our school recognises our responsibilities with regard to the Equality Act 2010. The three areas which we are required to address are:

- Eliminate discrimination and other conduct that is prohibited by the Act,
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it,
- Foster good relations across all characteristics¹ - between people who share a protected characteristic and people who do not share it.

To further these aims, the school should choose and publish equality objectives.

3. School Values, Ethos/Mission Statement

River View Primary School is committed to achieving the highest standards. Expectations for children's success are high and this extends to children's behaviour, attendance, attitudes and support they receive from both home and school. We ensure, through the curriculum, that children receive the highest level of teaching and that they are motivated to learn. We are an inclusive school that is committed to ensuring success, irrespective of age, gender, ethnicity or physical ability.

Preparing children for their lifelong learning journey is central to teaching and learning and we aim to support our learners through a creative, flexible and innovative curriculum which encourages both collaborative working and independent thinkers.

River View supports the work of community groups and understands the way that they can provide extra support for the life of the school and the community it serves. We actively encourage partnership working that allows children and their families to learn together.

River View is at the heart of the local community and we are committed to sustaining partnerships within the local community.

¹ Groups of people are referred to having the following 9 protected characteristics: (disability, age, sex), race, religion or belief, sexual orientation, pregnancy and maternity [applies to schools for staff], marital status & civil partnership, and gender reassignment or identity.

4. School Profile

As the demographics of Salford continue to change, schools have an important role to play in the promotion of equality and diversity and community cohesion both within the school and in the wider community.

We all have a duty to eliminate discrimination and to promote equality of opportunity to all those who work within our school environment – pupils, staff, parents, governors and all those who use school facilities.

In order to meet our equality objectives it's important to build a rich picture of our school community, to enable some analysis of our equality strengths and challenges. The school serves the area of Lower Broughton. Approximately half of the pupils, 52%, are of white British background. The rest of the pupils come from 12 out of the 17 ethnic groups. The percentage of pupils that have English as an additional language is above average at 37%. Currently 39 different languages are represented.

The school serves an area of deprivation. The percentage of disadvantaged children is well above the national average at 52%. Currently, 21% of the children in school receive SEN support. 6% have an EHCP or Statement of Special Educational Needs.

5. Equalities Objectives

Having outlined our school's current strengths and challenges, we have identified the following 3 priority areas which we feel will make a significant difference to our school community and ensure real, tangible outcomes.

We identified these objectives based on the results of pupil surveys and discussion with the school council.

6. Accessibility Action Plan

We continue to make our school as disability friendly and accessible as we can. To assist us with this process we have updated our accessibility action plan. This outlines our plans and commitment to increase accessibility of our school environment.

Furthermore we continue to record, monitor and review all reasonable adjustments undertaken for staff, pupils, governors, parents and carers.

7. Community Impact Assessments

In order to test our anti discriminatory policies and practices and to conduct the equality analysis required by the Equality Act 2010, we will continue to use community impact assessments.

8. Community Cohesion

We also welcome our duty under the Education and Inspections Act 2006 to promote community cohesion. We will continue to support community cohesion by:-

- Promoting activities that celebrate our common experience as well as those that recognise diversity generally and foster understanding and respect for the culture and faith of all our learners and their families;
- Encouraging learners and their families of all ethnic and faith groups to participate fully in all aspects of school life;
- Using our support for the voluntary and community sector to promote good race relations;

- Countering myths and misinformation that may undermine good community relations;
- Teaching pupils about hate crime and that hate crimes are unacceptable.

9. Human Rights

Our school integrates human rights values and principles into key areas of school life. We recognise the duties and standards expressed in the UN Convention on the Rights of the Child, The UN convention on the Rights of the People with Disabilities and the Human Rights Act 1998. We demonstrate our approach via;

- *An overall school-wide atmosphere of equality, dignity, respect, non-discrimination and participation*
- *Empowerment of students, teachers, staff and governors to meaningfully and equally participate in the creation and implementation of school policies*
- *An increased sense of inclusivity and interconnectedness that fosters mutual responsibility and local and global understanding and solidarity*

10. Engagement and Involvement

We involved pupils, staff, governors, parents and carers, and our wider school community in creating this Equality Scheme and action plan.

We did this via a range of involvement and engagement processes:

- *questionnaires to parents,*
- *discussions/consultation with pupil groups*

This helped to ensure that the views of all groups, but especially potentially disadvantaged groups, were fully incorporated in the development of the Scheme and action plan.

11. Procurement & Commissioning

We are required by law to make sure that when we enter into an agreement to purchase goods or services from another organisation to help us provide our services, that organisation will comply with equality legislation. This is a significant factor in selection during any tendering process.
