

# MAP OF RIVER VIEW PRIMARY SCHOOL AND SCHOOL GROUNDS

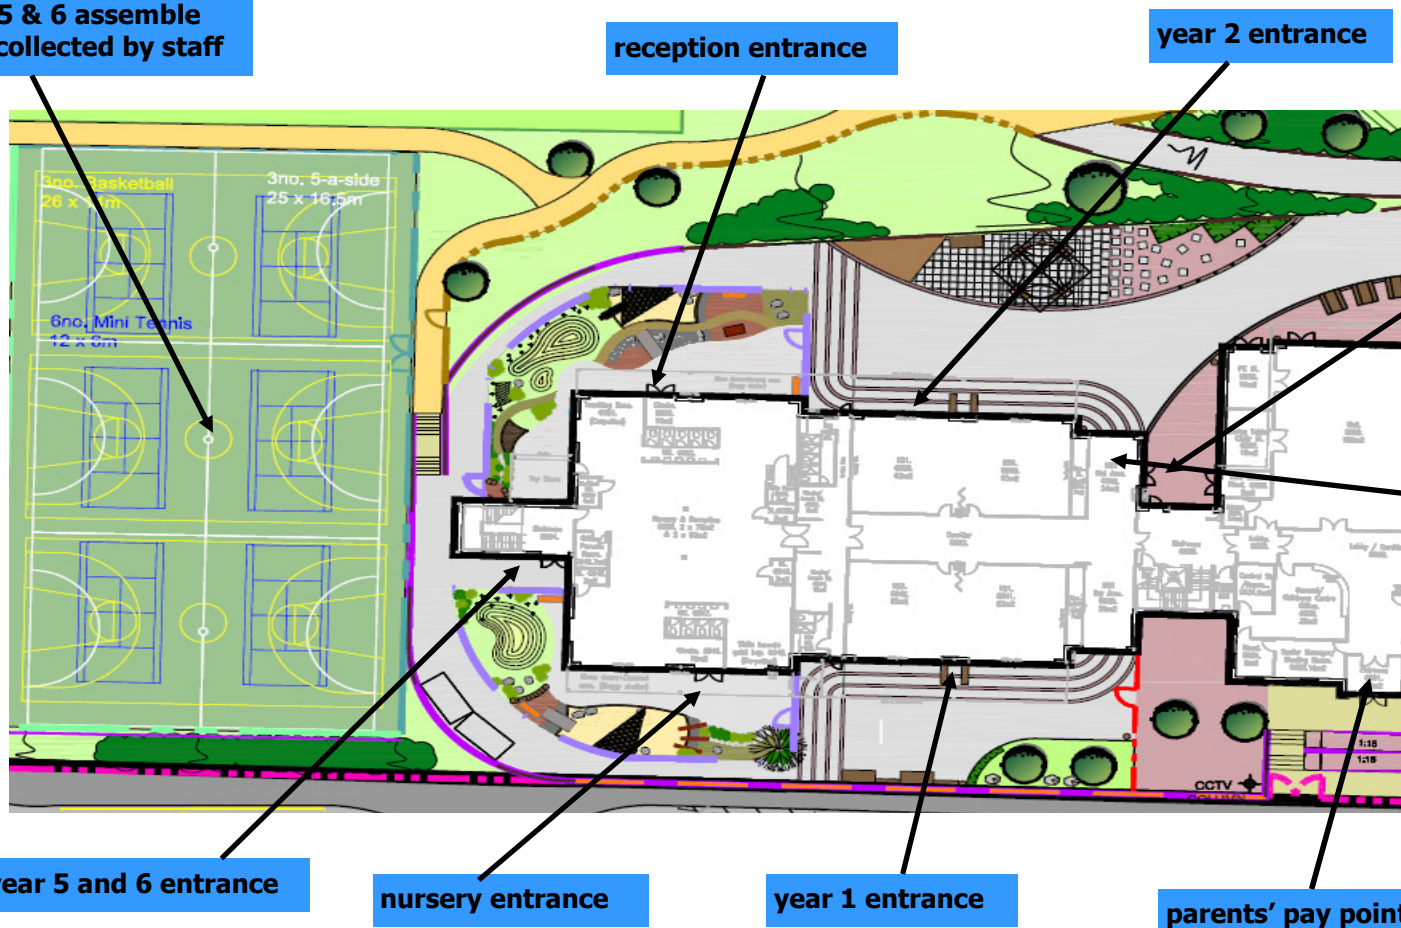

## This map shows the features of our extensive school grounds.

The main entrances to the school and appropriate access for cars are highlighted. Parking at peak times of the school day (before and after school) will be limited due to building work in the local area and the high volume of school and building site traffic. Please think about our neighbours when dropping off and picking up your children!

## MAIN ENTRANCES FOR ALL CHILDREN AT THE BEGINNING AND END OF THE SCHOOL DAY

years 3, 4, 5 & 6 assemble here to be collected by staff

Year 3 and 4 entrance

children's pay point

### PAY POINTS

Pay Points are situated in 2 places around the school for children and adults to credit their accounts on the cashless system if needed. To maintain security, we expect adults to use the pay point at the main school entrance to top up their child's account.

**This map shows the main entrances to be used in the mornings and at the end of the school day.**

All Key Stage 2 children are collected from the multi-use games area (MUGA) in the mornings by staff. Key Stage 1 and the Early Years children wait outside their classrooms before school to be collected by staff.

These entrances will be used at the end of the day to pick up your children.
