Headteacher: Mr D Gauld

Deputy Headteacher: Mrs C Batty

Dear Parents and Carers

As I am sure you are aware, Covid-19 is continuing to spread rapidly across Greater Manchester. Now more than ever we need to work together to help reduce the spread of this disease. We continue to monitor our school procedures to ensure the safety of our staff and children. We have made some changes to our current procedures;

- **All visitors entering the school will need to wear a mask**
- **From now on staff will be wearing a mask and a visor when coming into contact with parents or visitors to the school**

Thank you for supporting our procedures by keeping your child at home if they have any of the Covid-19 symptoms. You must also keep your child at home if any member of your household has symptoms or is awaiting the results of a test.

We will continue to ask you about the following symptoms before your child enters the school;

- **A high temperature – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)**
- **A new, continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)**
- **A loss or change to your sense of smell or taste – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal**

Thank you for your continued support.

Yours Sincerely

Mr Gauld
