

After School Club Payments

From September all payments for After School Club **MUST** be made on Parentpay. If you do not have a username to enable you to log on and would like details on how to access, please contact the school office to help you.

We are also introducing a system where you have to pay two weeks in advance, failure to do so will result in losing the place and if arrears mount up to more than one week, the place will be suspended until the debt is cleared.

Therefore please make sure your After School Club fees are paid on or before their first day of attendance when we return in September.

Kind Regards
