

RIVER VIEW PRIMARY SCHOOL

Dear Parent,

Just a couple of reminders of the changes that are happening which will take effect from Monday 15th April.

The charge for breakfast club is increasing to £1 per day. Previously we have subsidised this club and kept the charge at a very low level but with all the pressure on school funding we have had to review this. At the same time we are transferring all our payments onto ParentPay and no cash will be taken as payment by the staff. You will be able to log onto Parentpay and see the payment item to enable you to pay for breakfast club over the holiday.

Also the Reval machines used to pay for school dinners in cash will no longer be in use, all school dinner payments will have to be paid online via Parentpay.

Therefore it is essential that you activate your Parentpay account if you have not already done so. If you need details on how to access Parentpay, please call into the school office before we break up on Friday 29th March.

Yours sincerely

Mr D Gauld
Headteacher
